TELLS OUR STORY ...

# 100

individuals, 56 years ago, gave

# \$100

each to  
support surviving  
dependents of fallen heroes.

TODAY, memberships in The 100 Club have helped provide more than \$30 million, which includes assistance to the dependents of slain law enforcement officers and firefighters in our coverage area.

## MEMBERSHIP INFORMATION

Each membership is for only one individual. A Business or Business Life member must include not only the business name, but also the name of one individual.

New lifetime members receive a glass nameplate. Print your name exactly as you want it to appear on the nameplate.

Quarterly Life Memberships, \$250 paid annually, will receive annual decals until the full \$1,000 has been received.

All members receive two decals to proudly display on their vehicles. Business and Business Life members receive an additional large decal to display at their business.

These decals are intended to let peace officers and firefighters know they are supported in our community. Replacement decals may be obtained by calling The 100 Club office.

Fifty-six years ago, 100 Houstonians banded together to help the surviving dependents of slain law enforcement officers. Each gave \$100 to assist these families as they suddenly faced tragedy and an uncertain future.

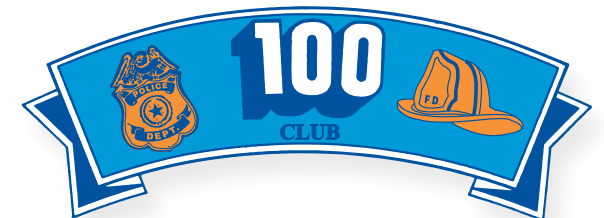

Nothing can replace a hero killed in the line of duty. But surviving family members receive comfort and hope in the community's support represented in every 100 Club gift. Thousands of generous, grateful citizens just like you have joined The Club.
